We are **all** volunteers and we need more! Each committee needs worker bees. Please reach out to your committee of choice and express your interest! Need a refresher? Check out eastbands.com and look under the **About Us** tab and find the **Band Boosters** section.

* We need additional chairs for this committee.

Secure your spot in Marching Band by putting down your \$50 deposit.

We are operating as if Marching Band season is a go. However, times are uncertain. As a result, **there will NOT be a pay-in-full option.** Pay in staggered amounts. Band fees are expected to be the same as last year. If that changes, we will let you know ASAP. You can pay your deposit on eastbands.com OR you can reach out to jenna.eastbands@gmail.com to pay with a credit card. Your first payment AFTER the \$50 deposit will be due the first day of band camp, July 16. As a reminder, band fees are non-refundable.

IMPORTANT: If you owe back dues, please reach out to Amy Kobylarz amyeastbands@aol.com to make arrangements. \$8000 in back dues are outstanding. We need these funds to get the season started.

Band Awards

We can't meet in person, but Mr. Thomas and Mr. Robichaux want to honor the band students. This Friday at 6:30pm go to the band Facebook page for a live event!
